---

On Saturday I drove around East Anglia looking for [used vans in Kings Lynn, Norfolk](#) . I am a self-employed car valeter and rely on my vehicle to earn a living. I have a Peugeot Partner 1.6 HD SE and it needs a new engine. This is not covered under my van warranty policy so I need to arrange van finance and take delivery very quickly. Stebbings Car Superstore in Kings Lynn have a Mercedes Vito 109 CDi used van for sale, in white of course. It is cheap at £7,900 +VAT compared to other used vans Norfolk. If this van is too big, Stebbings have a huge choice of used vans including Ford and Renault vans I can consider.
